What is it?

Notice is hereby given that the District of North Vancouver intends to adopt Park Dedication Removal Bylaw 8303, 2018. This bylaw

proposes to remove the dedication for park and recreation purposes, as set out in Bylaw 7108 "Kirkstone Park Dedication Bylaw", of a 0.08218 ha (821.8m²) portion of Kirkstone Park as shown in red on the attached plan. The portion of land removed from Kirkstone Park will be used for road and sidewalk to achieve the road network envisioned in the Official Community Plan.

How can I comment?

Council may adopt Park Dedication Removal Bylaw 8303, 2018 unless at least 10% of the electors of the entire District of North Vancouver sign elector response forms and submit them to the District by the deadline of 4:00 pm, Monday, March 12, 2018. If at least 10% of the electors sign and submit elector response forms by the deadline, Council may not adopt the bylaw unless the assent of the electors is then obtained (a referendum).

The District estimates that 5,962 is the number of electors who must submit signed elector response forms in order to prevent Council from adopting the bylaw without the assent of the electors.

Elector response forms must be in the form established by the District of North Vancouver. These forms are available on request at District Hall or may be obtained by visiting the District website at dnv.org/park-approval. Forms may be submitted in person at the District Hall, by mail (355 West Queens Road, North Vancouver, BC V7N 4N5), or by email to gordonja@dnv.org. The only persons entitled to sign the forms are electors of the District of North Vancouver.
