

Neighbourhood Petition Form – Traffic Calming

Location: _____ **Date:** _____
(MM/DD/YYYY)

Please clearly state the traffic issue, including the direction, prevalence, and location of traffic infractions, and the desired traffic calming improvements:

This petition is to request traffic calming changes at the location above. For a request to be considered, **signatures of support are required from at least 66% of abutting property owners. Only one owner’s signature per abutting property will be counted.**

All requests are subject to District review based on engineering best practices and the District’s Traffic Calming Policy, which can be found on our website: <https://www.dnv.org/programs-and-services/request-sidewalk-and-street-improvements>

Per Bylaw 3711, if sufficient signatures are obtained and the project is approved by council, **100% of construction and administration costs will be shared among the abutting property owners of the calmed area.** Property owners who oppose the project or disregard this petition will also be required to pay their respective proportion of the costs if the changes are approved and installed.
