Permit #

Applicant Information				
Name				
Mailing Address		City		Postal Code
Email		Phone		Cell
Number of Hens to be kept at the property				
If the Applicant is not the property owner, written authorization from the owner is required here:				
Owner's Name				
Owner's Email Address				
Owner's Signature to authorize Keeping of Domestic Hens Permit Application			Date	
Applicant certification <i>Please submit signed copy to the District.</i>				
I certify that this application and all information submitted as part of this application are true, complete, and accurate to the best of my knowledge. I also acknowledge that I have reviewed Bylaw 8211 "A bylaw to regulate the keeping of domestic hens" and other related Bylaws regarding this application. I also agree to allow Staff or appointed agent(s) of the District to enter the subject property to make any necessary inspections thereof.				
Applicant Signature		Date		

PLEASE NOTE: This permit is valid for one year from the date of issue and must be renewed annually by paying the annual fee and passing the annual inspection. Hens must not be kept until the initial inspection of the coop and run has passed.

The personal information collected on this form is done so pursuant to the *Community Charter* and/or the *Local Government Act* and in accordance with the *Freedom of Information and Protection of Privacy Act*. The personal information collected herein will be used only for the purpose of processing this application or request and for no other purpose unless its release is authorized by its owner, the information is part of a record series commonly available to the public, or is compelled by a Court or an agent duly authorized under another Act. Further information may be obtained by speaking with The District of North Vancouver's Manager of Administrative Services at 604-990-2207 or at 355 West Queens Road, North Vancouver.

Site Sketch Plan: Provide a site plan of the lot layout. Show and label property lines, street(s), accessory buildings, and distance to nearest residential dwellings. Provide the footprint dimension for all buildings. Provide dimension and height of chicken coop.
