I, _____, member of the firm
please print name

hereby declare that I am a Registered Professional and I have been retained to submit this alternative solution, review applicable design documents and shop drawings, and conduct field reviews, and also submit a signed and sealed letter of compliance to the DNV prior to occupancy. In my professional opinion, this proposed alternative solution will achieve at least the minimum level of performance required by Division B of the Code in the areas defined by objectives and functional statements attributed to the applicable acceptable solutions as well as the District Building Bylaw.
