| Manhole | | | |
| Sanitary Sump | | Other (please specify) | |
| Storm Sump | | | |
| *Storm Water Pump | | | |

If there is a Geotechnical Engineer involved in the project, the following must be provided at or before rough-in:

- Drainage servicing drawing
- *Building Code* Schedules B1 and B2

*** If there is a storm water pump on site, the owner must have a *Land Title Act* Section 219 Storm Water Pump Covenant registered on title and provided to the District prior to final inspection.**

The final inspection and occupancy permit will not proceed when a storm water pump covenant is required but not registered on the property title.

Prior requesting a final inspection, the following must be provided where applicable:

- Completed *Building Code* Schedule 'C' from all registered professionals minimum two (2) days before inspection
- Site servicing drawing
- Storm pump covenant must be registered on title

The personal information collected on this form is done so pursuant to the *Community Charter* and/or the *Local Government Act* and in accordance with the *Freedom of Information and Protection of Privacy Act*. The personal information collected herein will be used only for the purpose of processing this application or request and for no other purpose unless its release is authorized by its owner, the information is part of a record series commonly available to the public, or is compelled by a Court or an agent duly authorized under another Act. Further information may be obtained by speaking with The District of North Vancouver's Manager of Administrative Services at 604-990-2207 or at 355 West Queens Road, North Vancouver.
