

## Temporary Water Supply

I have the authority, as a representative of \_\_\_\_\_ to accept the agreement between the District of North Vancouver (DNV) and \_\_\_\_\_.

The contractor/film production will supply the following for the temporary water supply:

- 2 inch backflow preventer assembly
- Backflow preventer to be connected and disconnected by contractor daily
- Contractor/film production is solely responsible for any damage to DNV infrastructure

Charges are \$75.00 per day and can include a \$100.00 inspection fee if DNV Utilities Crew is called out to inspect.

It will be the film production responsibility to contact the DNV Film office at 604 990 2241 or The DNV Utilities Department at 604 990-3865 to arrange for any changes to date or hydrant.

Access Time Start: \_\_\_\_\_ Date: \_\_\_\_\_

Access Time End: \_\_\_\_\_ Date: \_\_\_\_\_

**Service connection location:**

**Hydrant #**

**Note: The Fire Department has first priority for this hydrant.**
