

Neighbourhood Petition Form – Sidewalk

Location: _____ **Date:** _____
(MM/DD/YYYY)

Please clearly state the reasons for and the extent of the desired sidewalk improvements:

This petition is to request new or improved sidewalks at the location above. For a request to be considered, **signatures of support are required from at least 50% of abutting property owners. Only one owner’s signature per abutting property will be counted.**

All requests are subject to District review based on engineering best practices and the Local Service Area Project (LASP) process, which can be found on our website: <https://www.dnv.org/programs-and-services/request-sidewalk-and-street-improvements>

Per Bylaw 3711, if sufficient signatures are obtained and the project is approved by council, **100% of construction and administration costs for the sidewalk will be shared among the abutting property owners.** Property owners who oppose the project or disregard this petition will also be required to pay their respective proportion of the costs if the changes are approved and installed.
