

## SEYMOUR HEIGHTS ELEMENTARY SCHOOL SAFE ROUTES TO SCHOOL

### LEGEND

Recommended Walking Routes\*

\* These routes typically have less vehicle traffic and more pedestrian infrastructure such as sidewalks. These routes also connect to many students' homes.

Recommended School Entry Points for Cyclists\*\*

\*\*All minor roads can be used by cyclists who have bike safety training and equipment. As different students will use different cycling routes, only the recommended safer school entry points are provided.
