

Significant Infrastructure and Construction Projects that may Impact Traffic

Updated: November 27, 2020

Edgemont Village Area	
	<p>3155 Crescentview Dr - Development</p> <p>Work continues on site with concrete pours taking place along Crescentview Dr. Traffic control personnel assisting trucks entering and exiting the site.</p>
	<p>1358 Ridgewood Dr - Culvert Replacement</p> <p>Starting October 19 there will be approx. 6 weeks of work on Ridgewood Dr between Aintree Dr and Bluebonnet Rd. Expect intermittent single lane alternating traffic weekdays between 7:00am and 5:00pm. Traffic control personnel will be present to assist traffic, cyclists and pedestrians.</p>
	<p>2700-2900 Blocks Edgemont Blvd - Sidewalk Install</p> <p>Starting November 9, several weeks of sidewalk installation will take place on west side of Edgemont Blvd, south of W Queens Rd. Parking restrictions and lane closures will be in place through the duration of work. Construction hours are between 7:00am-8:00pm weekdays, and 9:00am - 5:00pm on Saturdays.</p>

Lower Capilano and Marine Drive	
	<p>Lower Capilano Road between Welch St & Marine Drive - Utilities Work</p> <p>Until December 13, Capilano Rd between Marine Dr and Welch St will be closed to through traffic for Metro Vancouver utilities construction. Local access will be maintained. Detour signage will direct traffic to Pemberton Ave during the closure.</p>
	<p>Marine Drive - Mosquito Creek Bridge (CNV)</p> <p>Marine Dr will be reduced to one lane in each direction for approx. six weeks. Delays are expected, plan alternate routes. Pedestrians and cyclists to be accommodated when possible, or detoured. See www.CNV.org for updates.</p>
	<p>Capilano Road, Curling Rd and Fullerton Ave - Utilities Work</p> <p>Starting November 25, three weeks of overhead utilities work will be taking place on Capilano Road, Fullerton Ave and Curling Road. Works on Capilano Road will take place between 9:00 am and 3:00 pm. One lane of traffic will be maintained at all times.</p>
	<p>1910 Belle Isle Pl - Citimark</p> <p>Deliveries will be taking place via Belle Isle Place. Short term single lane alternating two-way traffic on Curling Rd for deliveries. Traffic control personnel assisting trucks entering and exiting site.</p>
	<p>1801 Glenaire Dr - Cressey</p> <p>Short term single lane alternating two-way traffic will be required for deliveries on Glenaire Dr between 7:00am and 5:00pm. Traffic control personnel will be present to assist traffic.</p>
	<p>2035 Glenaire Dr - Ebb & Flow</p> <p>Construction is now underway. Traffic control personnel are assisting trucks entering and exiting the site.</p>

	<p>1633 Capilano Rd - Keltic Development</p> <p>The sidewalk on the west side of Capilano Road will be closed with traffic control personnel controlling traffic for trucks entering and exiting the site. Intermittent south-bound curb lane closures will be in effect between 9:00 am and 3:00 pm, two days per week Monday to Friday for deliveries to site.</p>
	<p>1060 Churchill Cres - Onni Development</p> <p>Partial closures to the laneway between Churchill Cres and Marine Dr will be required weekdays between 7:00 am and 5:00 pm for road re-construction, with access being maintained from Churchill Cres. Traffic control personnel will be assisting trucks entering and exiting site and directing drivers to access the laneway from the entrance on Churchill Cres.</p>
	<p>W 1 St - Metro Vancouver North Shore Waste Water Treatment Plant</p> <p>Work taking place in the intersection of W 1st and Philip, turn movements restricted and detours in place. Expect lengthy delays during peak hours for several months. Trucks entering and exiting site, traffic control personnel present to assist. The parking lane will be closed to facilitate this work. Bike lane closed in both directions, cyclists to detour on Welch Street or Spirit Trail.</p>
	<p>W 1 St - Metro Vancouver Conveyance Pipe - Civil Work</p> <p>Work is underway in the intersection of W 1st St and Philip Ave. Expect delays while accessing the Philip Ave overpass. Work continues on W 1st St between Philip Ave and west of Garden Ave. One lane in each direction to be maintained. Bike lane closed in both directions, cyclists to detour on Welch St or Spirit Trail.</p>

Lynn Valley	
	<p>1280 E 27 St - Bosa</p> <p>Flagger on site assisting traffic and pedestrians. Parking lot construction and landscaping taking place throughout the Lynn Valley Mall area. Until construction is complete on the new Mall entrance Valley Center Ave will only be open to one direction of traffic.</p>
	<p>1241 E 27 St - Polygon</p> <p>There will be a concrete pour on the E 27th St sidewalk on Saturday November 28, expect intermittent single lane alternating two-way traffic on E 27th St between 9:00 am and 5:00 pm. Traffic control personnel will be present to assist traffic and pedestrians.</p>
	<p>2555 Whitely Crt - Kiwanis</p> <p>Trucks entering and exiting site for construction, traffic control personnel will be present to assist with trucking. Large concrete pours continue on site.</p>
	<p>1200 Emery Pl - Mosaic Homes</p> <p>Sanitary sewer work is now complete on Emery Pl and continues on site. Additional utility upgrade on Emery Pl expected in late November. Traffic control personnel will be present to assist with trucks entering and exiting the site.</p>

	<p>Mountain Hwy from E 16th St to E 24th St - Civil Work</p> <p>On November 30 and December 1, Mountain Hwy will see short duration lane closures between E 16th St and E 24th St as crews perform geotechnical investigations between 9:00 am and 5:00 pm. One lane in each direction will be maintained, with traffic control personnel on site to assist.</p>
	<p>Argyle Secondary School Replacement - Public Development</p> <p>Work continues on site, with the first phase of roadwork on Frederick Rd now complete. Student and local access to be maintained. Traffic control personnel will be present to assist with students, pedestrian and resident access.</p>
	<p>Ross Rd from Mountain Hwy to Allan Rd - Civil Works</p> <p>Ross Road continues to be closed to east-bound vehicle traffic between Mountain Hwy and Allan Road. Ross Road may be closed to vehicle traffic in both directions between 9:00am and 2:30pm Monday to Friday, with traffic control personnel on site to assist.</p>
	<p>Lynn Valley Rd at Ross Rd - BC Hydro</p> <p>Expect south-bound curb lane closures between 9:00am and 3:00pm on weekdays until mid-December. Traffic control personnel will be present to assist traffic, cyclists and pedestrians.</p>

Lynn Creek	
	<p>Ministry of Transportation and Infrastructure - Lower Lynn Upgrades</p> <p>Mountain Hwy Interchange</p> <p>The new eastbound Mountain Hwy on-ramp is now open and the eastbound Fern Street on-ramp is temporarily closed. All traffic to access eastbound Hwy 1 via new Mountain Hwy on-ramp or Main Street on-ramp. The eastbound Fern Street on-ramp to Hwy 1 will reopen to westbound Keith Rd traffic after the holidays.</p>
	<p>Main St at Highway 1</p> <p>Construction continues on Main St near the Hwy 1 underpass. Two westbound lanes and one eastbound lane of traffic will be maintained during peak hours. Daytime drilling and pile driving is now underway. The multi-use path on the south side of Main St is closed until the holidays. The sidewalk on the west side of the Ironworkers Memorial Bridge will be closed for approx. 6 months. Pedestrian and cyclist traffic are being detoured to the north side of Main St and the east sidewalk on the bridge. Detour maps and signage are posted throughout the site to guide pedestrians and cyclists.</p>
	<p>1401 Hunter St - Private Development</p> <p>Hunter St west of Mountain Hwy will be closed to the general public until February 2021 for ongoing construction and Metro Vancouver's underground utility works. Trucks entering and exiting site, traffic control personnel present to assist.</p>
	<p>1503 Crown St - Private Development</p> <p>No impacts to traffic at this time. Weather dependent final paving work to be scheduled.</p>

	<p>467 Mountain Hwy - Private Development</p> <p>Utility work will be taking place along the boulevard on the west side of Mountain Hwy. One lane of traffic in each direction on Mountain Hwy will be maintained. Utility work on Charlotte Rd continues between 7:00am - 8:00pm. Flaggers will be present to assist traffic and pedestrians.</p>
	<p>1530 Oxford St - Private Development</p> <p>Expect intermittent single lane alternating traffic on Oxford St between 7:00 am - 5:00 pm Monday to Friday and 9:00 am - 5:00 pm Saturdays. Transit vehicles will be given priority. Traffic control personnel present to assist residents and pedestrians.</p>
	<p>1550 Oxford St - Private Development</p> <p>Expect intermittent single lane alternating traffic on Oxford St between 7:00 am - 5:00 pm Monday to Friday and 9:00 am - 5:00 pm Saturdays. Transit vehicles will be given priority. Flaggers assisting trucks entering and exiting site from the laneway, concrete pours underway on site till April 2021. Traffic control personnel present to assist residents and pedestrians.</p>

Seymour/Deep Cove

	<p>Ministry of Transportation and Infrastructure Mt Seymour Pkwy and Lillooet Rd Intersection Upgrades</p> <p>Construction continues at Mt Seymour Pkwy and Lillooet Rd. Two lanes of traffic will be maintained east-bound and west-bound on Mt Seymour Pkwy between Lillooet Rd and Seymour Blvd 7:00 am - 8:00 pm. Expect delays.
